

NORTH CAROLINA RISK MANAGEMENT CREDENTIALING 2010-2011

Re-certifying Your Risk Management

If you want to officiate NCASA adult or NCYSA youth or USYS youth matches, in North Carolina, or nationally, you must voluntarily undergo a criminal background check.

You must re-submit a Risk Management Registration Application every year between April 30 and June 30.

Your risk management expiration date is in your Arbiter account. Click on "Misc Fields" and the fourth row down will show you your Risk Management Expiration date.

There is no charge for the background check.

To complete the simple background check questionnaire, please follow these steps:

- 1. Go to the NCYSA web page at www.ncsoccer.org**
- 2. On the right margin menu, in blue, click on "Risk Management"**
- 3. Click on "Click Here..."**
- 4. On the main Risk Management Application page, check the second item entitled, "This is my first registration in 2010-11. I have previously registered with NCYSA."**
- 5. Follow the instructions on completing the questionnaire, and then click submit.**
- 6. Wait... Don't leave the site... You'll receive a confirmation number... Then...**
- 7. Be sure to complete the second part of the questionnaire that asks you to identify ALL the *positions* you hold within the NC soccer community. (e.g. "referee" and/or "referee assignor" and/or "referee instructor" and/or "referee administrator" and/or "coach"...) Your association is the "NC Soccer Ref Assoc."**

If you have any questions about the North Carolina Risk Management Program, please contact John Bouda at jmb@ioa.com
